CLUB PERFORMANCE PROGRAM  
SEPT 2 2025 – JAN 17, 2026 (18 WEEKS)

## PROGRAM OVERVIEW:

Whether you have never played the game before or you are aspiring to become a competitive player, White Oaks has a program tailored just for you. Our nationally recognized Tennis Canada Junior Tennis Development Centre (TDC) has developed some of Canada's top tennis players over the past 46 years, including Davis Cup player Bruno Agostinelli Jr, as well as ATP & Davis Cup player Frank Dancevic. Your child will enjoy learning to play and compete in our family friendly tennis facility. White Oaks was recognized in 2013 with the prestigious Tennis Canada / Tennis Professionals Association "Tennis Facility of the Year" Award.

We are committed to providing your child with the best possible Junior Tennis program in the Niagara Region. Our coaches have a tremendous amount of experience coaching players of all ages and levels from ages 3 and up. Our two stream approach to junior development allows your child to enter programming for both Development & Performance players. Utilizing Tennis Canada's Actions Method and Progressive Tennis programming, we strive to make your child's tennis experience a lifelong passion!
