

MEDIA RELEASE

The Spa at White Oaks makes the Top 100 Spas List Again

Niagara-on-the-Lake, Ontario (January 13, 2021)

Spas of America has released their Top 100 Spas of 2020 in what was arguably the most challenging year for the industry. Many spas closing their doors for months at a time during shut downs in the wake of the global pandemic. Many spas closing their doors, never to reopen.

The Top 100 Spas of 2020 list includes 74 spas from the United States, 19 spas from Canada, three from Mexico, and one each from Barbados, the Bahamas, Jamaica and the U.S. Virgin Islands. The Spa at White Oaks ranked #14 overall. More exciting however, is our Canadian rankings where The Spa at White Oaks has been ranked #3 in all of Canada, #2 in Ontario and #1 in Niagara.

“The Spa at White Oaks Resort has proven to be a popular destination for our targeted spa and wellness travel audience” says Spas of America president Craig Oliver. “With over 900 of the best resort, hotel and health spas on our website, The Spa at White Oaks is recognized as #1 in Niagara, #2 in Ontario, and the #3 spa in Canada in our Top 100 Spas of 2020,” says Oliver. “The Spa at White Oaks Resort is an ideal respite for visitors seeking a local and luxurious, fresh-air wellness escape in the heart of Southern Ontario’s wine country.”

Spa Director, Jennifer Hipwell says, “There is only one word to describe how it feels to be recognized for this achievement during 2020...Hope. This past year the entire world was focused on illness due to the global pandemic. This year, wholeheartedly, our focus will be on all forms of wellness, physically, mentally and emotionally. I KNOW that the spa industry will come back stronger in 2021, now more important than ever. I am hopeful and excited for how the spa experience will impact spa goers everywhere.”

Ameer Wakil, CEO White Oaks Resort & Spa, sent his congratulations to Jennifer and her team, “I would say that accomplishment is AMAZING!! Think about the competition from around North America and to do something of this magnitude once is so hard, but to do it year after year is rarely achieved!! Jennifer, you are a great leader to the Spa team here who are truly exceptional and I want to personally thank you for being such a great ambassador to the spa industry as well...Well done!”
