The Spa at White Oaks hits the Top 100 Spas List

Niagara-on-the-Lake, Ontario (January, 2022)

Spas of America has released their Top 100 Spas of 2020 in what was a very difficult year with many personal services in Canada closed down for periods of time and the US/Canada border closed for most of 2021.

The Top 100 Spas of 2021 list includes 84 spas from the United States, 13 spas from Canada, and three from Mexico. The Spa at White Oaks ranked #44 overall. More exciting however, is our Canadian rankings where The Spa at White Oaks has been ranked #7 in all of Canada, #2 in Ontario and #1 in Niagara.

“The Spa at White Oaks Resort has proven to be a popular destination for our targeted spa and wellness travel audience” says Spas of America president Craig Oliver. “With over 900 of the best resort, hotel and health spas on our website, The Spa at White Oaks is recognized as #1 in Niagara, #2 in Ontario, and the #3 spa in Canada in our Top 100 Spas of 2020,” says Oliver. “The Spa at White Oaks Resort is an ideal respite for visitors seeking a local and luxurious, fresh-air wellness escape in the heart of Southern Ontario’s wine country.”

Spa Director, Jennifer Hipwell says, “We are almost at the 2 year mark of the spa industry being in crisis mode due to a global pandemic, but with every lockdown or set back, it comes back stronger. Home care and self-care are high needs of the customer right now. Spa business models and teams have adapted and changed dramatically and quickly to stay afloat. I am in absolute awe of the spa team here at White Oaks as they have persevered in the toughest of working conditions both mentally and physically, all while maintaining integrity, empathy and passion.”

Ameer Wakil, CEO White Oaks Resort & Spa, sent his congratulations to Jennifer and her team, “Wow! Considering the current climate and what we have had to battle this past year from the pandemic, to the extreme staffing issues I consider this a huge victory! Looking forward to another great year, here is to an amazing 2022!”
